

BUILDING AN AIRPLANE

with Mr. Garcia

WHEN: FRIDAY, APRIL 9 @1PM

WHERE: [HTTP://BIT.LY/ISAIRPLANE](http://bit.ly/isaairplane)

Join us to take on the role of an aerospace engineer as we learn about the history of flight and then design, create, and test our very own airplane. Finally, we'll play a live Kahoot! game to show what we have learned.

Want to build along with Mr. Garcia?

Try to collect these items before the event:
cardboard (2 small pieces), craft or popsicle sticks (5), glue or tape, paper (2 pieces), and scissors.
